

A man in a dark suit and tie is riding a bicycle, positioned in the lower right foreground. He is looking forward with a slight smile. The background is a modern building with a facade of large, dark, rectangular panels. A window is visible behind him. The overall image has a dark, moody aesthetic. Several colorful geometric shapes are overlaid: a green bar on the left, a red triangle, a blue bar at the top, a red bar on the right, and a yellow and white vertical bar near the bottom center.
